

**'This learning experience about Syntropic Agroforestry and Permaculture has helped me to have a vision, with the profits that I will earn I want to build a house for my family.'**

**- Prisca Daphter**

**'While the neighbouring fields failed to plant maize for the fourth time, I am harvesting bananas, papayas, mulberries and beans.'**

**-Lesther Chikumba**

# *It's time to* **TACKLE** **CLIMATE CRISIS**

## **Syntropic Agriculture**

**— biofertilisers and water harvesting to cope with fast changing climate and overdependancy on mineral fertilizers —**
