**The National Coordinator,
Global Environment Facility - Small Grants Program;**

RE: RECOMEMNDATION FOR TREE UGANDA ACADEMY (TUA)

Reference is made to your call for applications under the GEF Small grants Program for 2021.

I hereby recommend **Tree Uganda Academy** for consideration of their application for the GEF Small Grants for the environment.

I have known the above Organisation for three years, as a community based entity actively engaged in conservation activities in Kanungu District. They are doing commendable work in Eco-Inclusive Social Action, Research and Advocacy; Youth Led Conservation and Sustainable Agricultural activities thus aiding Community Led Conservation and Poverty Alleviation.

Since establishment, TUA has partnered with multiple teams working with community members at grassroots level to address issues resulting from Environmental Degradation whilst contributing to the People's welfare by enhancing their capacity through trainings, awareness creation, and empowerment. They are also promoting livelihood projects in Environmental conservation, Ecotourism, Cultural preservation and Sustainable Agriculture to mention but a few.

I therefore highly recommend TREE UGANDA ACADEMY (TUA) for this grant opportunity since they have exhibited a pro-poor approach to sustainable environment management.

Regards.

.....
**AGABA GEORGE
SENIOR ENVIRONMENT OFFICER
KANUNGU DISTRICT**
